שירותי שמרטפות! • Babysitting Services

Babysitting services this year have been organized into 2 options. The cut off date for all these Babysitting programs is 1/14/08 - ז' שבט ה'תשס"ח. You may choose whichever one suits your needs:

- 1) Babysitting in Oholei Torah is only available for nursing babies up to the age of 18 months and you must pre-reserve and have a confirmation. Sorry, we will not be able to accept day of arrival requests in Oholei Torah. The fee for this service is \$75 per child for all or part of the Kinus.
- 2) A comprehensive list of all the Crown Heights playgroups is available from the Kinus Office. The hours and fees vary so call and we'll fax you the list, or visit www.kinus.com

תוכנית לבוגרות הסמינרים • Post Seminary Program

The program for post-seminary girls is being held again this year. It will begin on Thursday evening and is open to girls who have completed their formal seminary education and are now interning in a Chabad House and living outside of New York, assisting the Shliach and Shlucha in their Peulos. Their program will run through Sunday night and they will join the Shluchos for the Gala Banquet.

The cost of this program is \$125 per participant. The post-seminary program registration form is included on the official invitation for the Shlucha. Please note that we will only accept registrations for this program when accompanied by a correctly filled out registration and signature of the Shlucha. For further programming information, please call 718-774-4000 ext 280 or e-mail kinus@kinus.com

תוכנית לבנות השלוחות • B'nos HaShluchos Program

The B'nos HaShluchos program is for girls between the ages of 8-11. Their exciting program is being coordinated by the Shluchim Office (718) 221-0500 extension 314. The program will begin on Friday morning and run through Monday evening.

תוכנית לאורחות • Guest Program

Guests accompanying their Shluchos to New York for כ"ב שבט will once again have two programs to choose from. The Classic Guest Program has been run very successfully in previous years and needs no introduction. The innovative In-depth Learning Program is for guests who would like to spend more time exploring the depths of the teachings of the Rebbe זי"ע and Chassidim in general. This will include addresses and Shiurim by leading Rabbonim and Mashpi'im as well as Shluchos from around the world. Details about the Classic Guest Program & In-depth Learning Program are available by calling Sara Chana Posner: 718-735-0770 ext 1226 (daytime) or 718-778-1514 (evenings) or e-mail yepo@juno.com

תוכנית למורות • Teachers Program

Once again we will feature specific Chinuch sessions for those teachers coming to the Kinus. They will have exclusive programming on Friday and Sunday whilst joining the Shluchos for the Oneg Shabbos and the Gala Banquet. We encourage all women involved in Chinuch to attend these sessions that have been implemented to answer their unique needs.

Registration is \$125 per teacher and must be accompanied by the signature of the Head Shliach of your city/state or country.

Important: Please remember that all applications must have the signature of the Head Shliach. We remind you again that a Shlucha is one who is herself, as well as her husband, involved in Shlichus as their sole vocation. Please consult your Head Shliach with any questions as to status.
